Perfect for New Parents

Swingset Mamas creates music for little kids that sets Mom's feet dancing. This duo of moms delivers, whether rocking to "The Littlest One" or giving good advice in "Sunscreen Dance." Dance Around the House and Swingset Mamas are perfect CD gifts for new parents.

Swingset Mamas create a mix of rock and musical styles that may keep Mom and Dad sane in those early months. These two know their subject, approaching motherhood with fun and grace. Find them at www.swingsetmamas.com
